

PSCH-PK Celebrates National Nurses Week May 6-12, 2016

“ We salute the PSCH-PK nurses who are on the front lines of providing the highest level of quality care to our patients. ”

Leonard White, RN, Director of Nursing

During National Nurses Week, PSCH-PK would like to extend a special thank you to our nurses who provide the highest level of quality care to our patients. At PSCH-PK our staff of 45 nurses deserve a special recognition for their efforts in delivering compassionate care, while encompassing the principles of ethical practice in their profession.

As your Director of Nursing, I could not do my job as efficiently or effectively without your continued dedication and support. The entire Executive Staff joins me in thanking you for the devotion you provide to the people we serve.

With Sincere Gratitude,
Leonard White, RN
